

# MAKI - Female Student Travel Award for female students

for the participation at

**“Grace Hopper Celebration of Women in Computing”**

&

**“Informatica Feminale” or “Ingenieurinnen-Sommeruni”**

With this award the collaborative research centre MAKI appreciates exceptionally well performances of female students in electrical engineering and information technology.

The winners will be able to attend the **“Grace Hopper Celebration of Women in Computing”**-Conference, the **“Informatica Feminale”-Summer University** or the **“Ingenieurinnen-Sommeruni”**.

The **“Grace Hopper Celebration of Women in Computing”** is the World's Largest Gathering of Women Technologists. The conference will be in **Houston (Texas)** between **19<sup>th</sup> and 21<sup>st</sup> October**.

The **“Informatica Feminale”** is an international Summer University for Women in Informatics. Every year **“Informatica Feminale”** offers compact courses in informatics/Computer Science for women students from all types of universities and colleges as well as for women professionals interested in further training. The **“Informatica Feminale”** will be held in Bremen between **8<sup>th</sup> and 26<sup>th</sup> August**.

The **“Ingenieurinnen-Sommeruni”** is an international Summer University and offers teachings in electrical engineering, IT, production engineering and mechanical engineering. It will be held in Bremen between **8<sup>th</sup> and 26<sup>th</sup> August**, too.

To take part in the competition please send your application until Monday, **April 4<sup>th</sup> 2016** to:  
Prof. Schürr, Email: [Andy.Schuerr@es.tu-darmstadt.de](mailto:Andy.Schuerr@es.tu-darmstadt.de)

Apply with a motivational letter, your CV, your personal performance summary (TUCaN-Leistungsspiegel) and a description of your connection or interest to MAKI's field of research.
